Seasons In The Sun

The stars were out, the air was cool
As the dance commenced at eight at school.
The theme was entitled Seasons In The Sun
Under which we all had fun.

Excitement completely filled the air
No one spoke, they would not dare.
For down at the other end of the room,
The honored seven were to appear soon.

First was Cathy escorted by Shawn Stine
Somewhat nervous, but still looking fine.
Then came 'Ria, along with Tilly,
Who for once, tonight, didn't act silly.

Then came Al Reigart a nice-looking man,
Who had the honor to escort Nan.
Next was Cindy, all covered with curls,
That night, Denny didn't even look at other girls!

Our honorary member Janet, escorted by Greg Ness,
Was promptly followed by the rest.
Now came Janie, looking happy and gay,
Escorted by the handsome, Ray.

Last, but not least, was Miss Terry Wood
And Hoagie looking as happy as he could.
There they are, who will it be
No one knows, neither you nor me.

Soon enough the time arrives
And everyone comes back alive.
For the one receiving the most votes,
Was the one and only, Miss Nan Gross.

Everyone was happy and gay
And had a good time, in their own way.
Before we knew it, the hours sped by,
And the Homecoming spirit was soon to die.

The stars were out, the air was cool
As the dance ceased, at elven, at school.
The theme was entitled Seasons In The Sun,
Under which we all had fun.

The Wildcat grid men captured second place in Division B of the YCIAA Football league this season with an overall record of 7-3 and a league record of 6-2.

For the first time in YCIAA history, the league was broken into two divisions according to each team's strength. No playoff was scheduled between division champions, leaving two league champs.

After a loss to Red Lion, the cats came back strong to eliminate the strongest team Spring Grove had ever boasted.

Hoping to last out the season with only one league loss, players and spectators alike were stunned to find West York bounce back from a 12-0 deficit at halftime to win by 21-12 over the 'Cats.

The team rebounded again, however, to win the final two outings. Congratulations to the entire team on a fine season!

The Dallastown Area Junior High football team captured the YCIAA League Championship this year, in one of the most exciting seasons of junior high football to ever hit York County.

In his third championship as coach, Larry Adams offered this evaluation of the season:

"It was a very fine season. The team overall had a lot of composure. We learned one thing that is very important. You must respect every opponent, no matter what their record is. Our loss to Hanover came after we had peaked at the Red Lion game, and we had become complacent. After being stunned, however, we recovered to win the championship. Hopefully this lesson will not have to repeat itself in the years that count—the varsity years. Junior High sports are important, but they should be building blocks for the future."

Congratulations to Mr. Adams and the entire junior high squad for a job well done.

Rambling Through Fall...

My house in Alberschwende

Summer in Austria

Lynda Myers

On June 24, 1974, I left Dallastown to begin my summer as an AFS student abroad to Austria. I did not arrive in my village of Alberschwende until July 2, Here I spent nine weeks with my host family, the Anton Rusches.

My stay abroad was the most exciting, fascinating, wonderful and challenging time of my life and I enjoyed every moment of it. I only hope that future AFS Students have as great an experience as mine, and sincerely wish them luck.

Thank you Dallastown for this opportunity.

Summer in West Germany

This summer I represented Dallastown as a foreign exchange student to Germany. I lived in West Berlin with the Mewes family. I spent my summer months in a number of cities including Berlin, Breman, Hamburg, and Russelsheim.

I met many fascinating people from many countries; for example, England, Hungary, and Germany. I was fortunate to go to Germany for I previously had two years of the language in school.

I had a fabulous time and I'm greatly looking forward to going back and visiting again soon.

You've stumbled into a strange, new world,
But she has opened her doors with welcome.
She has extended her hand in friendship,
Hoping you'll give of yourself in return.

Do not reject the gifts she has to offer;
They are your future, your success.
It is with the golden key of knowledge
That you will unlock the doors which hold

the treasures of the world.

You're no longer a child, a "kid."
You're becoming an adult, with life
As your teacher as you grow older.
And with age comes wisdom...

the key to living.

The Gettysburg jinx continued this season as once again the Wildcats captured the YCIAA Eastern Division Title—only to drop the league Championship contest.

The 'Cats suffered only three League losses, one of them to West York. That loss was an unannounced warning of troubles to come. Weeks later, in a hard-fought contest, West York dominated the 'Cats with a super zone defense and survived comeback bids to take the title 60-55.

A week later brief District 3 playoff action ended with a round one loss to Carlisle to finish the season.

Bill Rutecki ended the season with 499 points. His sophomore brother, Rick, was the only other player to average in double figures. Dave Gifford ended his career with a team-high rebound mark. The team finished with an overall 18-6 record and another Division crown.

Girls' Basketball

In the first year of an informal YCIAA Girls' Basketball league, D-town showed a promising future for the sport. Coach Paulette Henry's girls wiped up the other rookie teams, losing only one game—to an experienced squad from York High. Sharon Surdich, a senior, was a major factor in the team's success as high scorer.

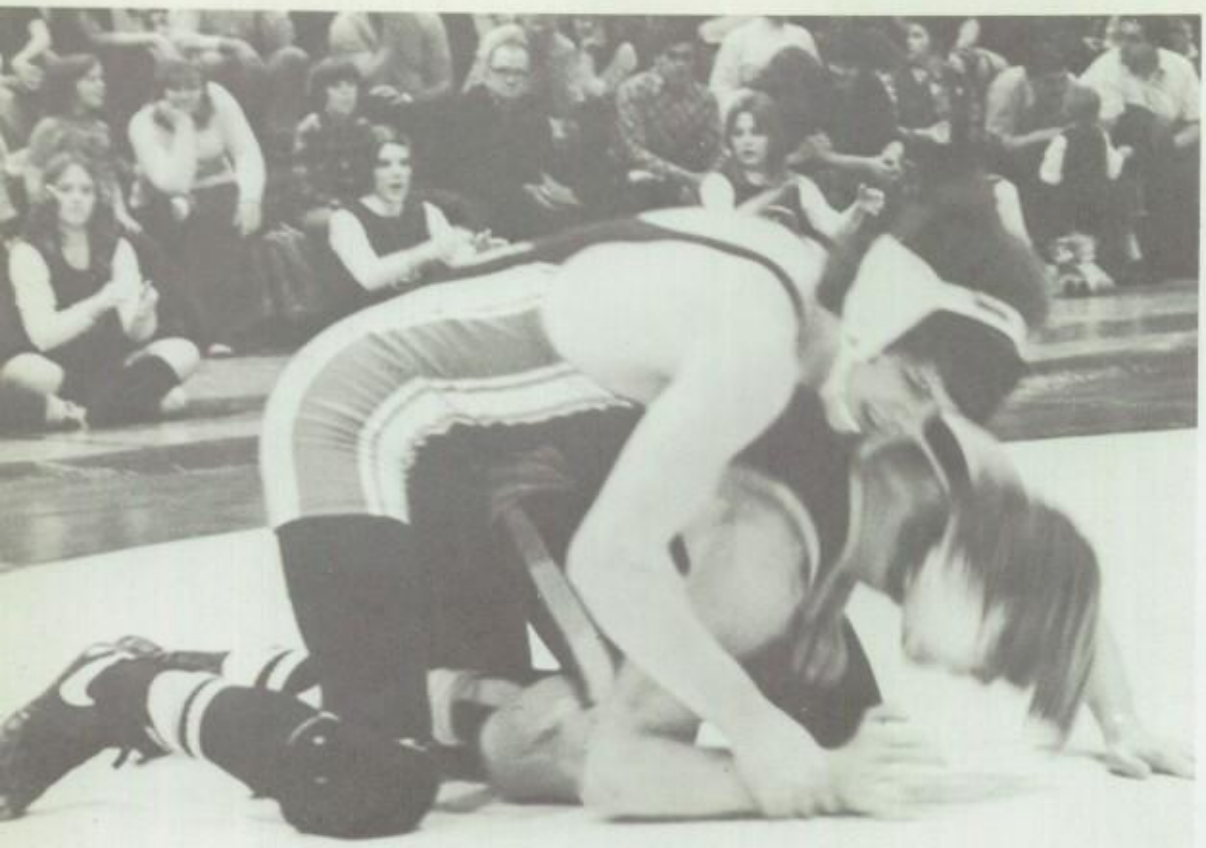
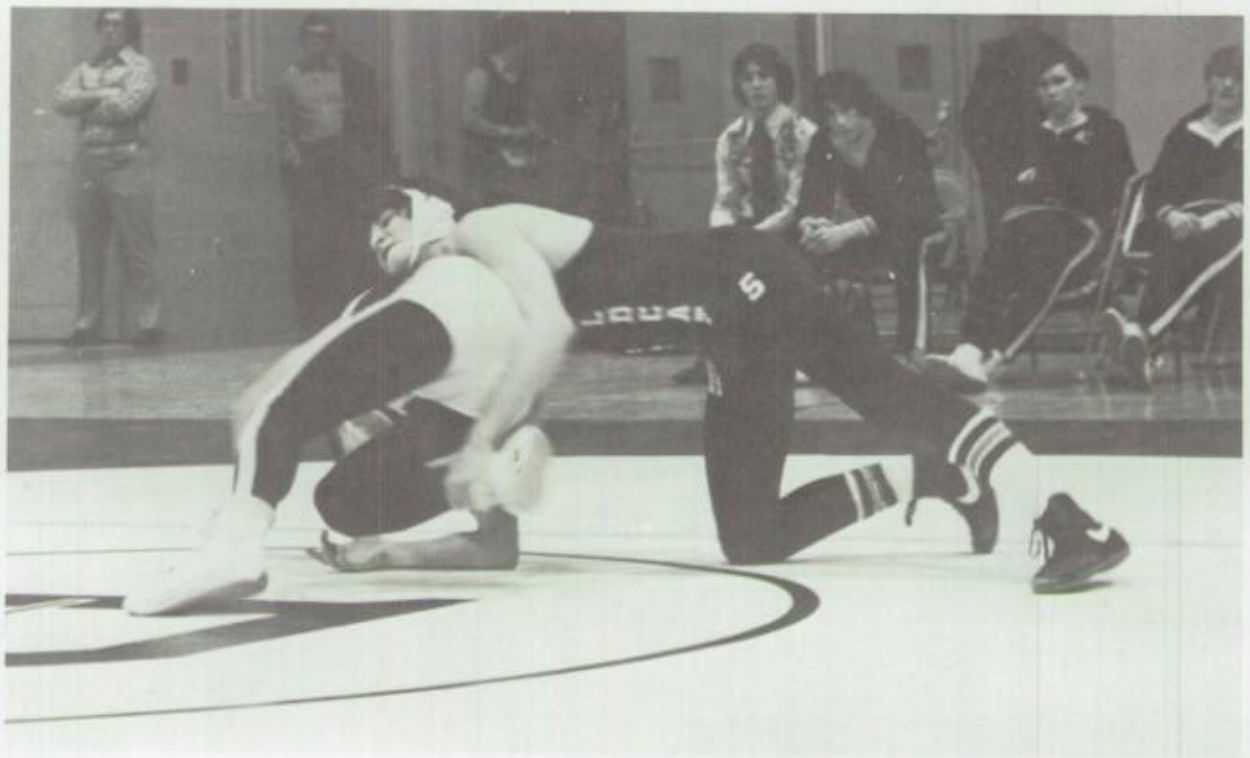
D Town Grapplers





Varsity Wrestling

Wrestling without the '73-'74 list of seniors that virtually insured championships at D-town, this season the 'Cats expected a fight for the title.

That fight came, and when the mats had cleared for the last time, three teams—each of which had knocked off one of the other two—showed equal records with just one loss apiece to end as Co-champions in the YCIAA.

The Cats' only loss came against West York, who in turn lost to Hanover. The Nighthawks were downed by D-town, though, to kill anybody's chances of cleaning up the league.

Except for a surprising loss to York High, no one could have asked for a more successful season from D-town's J.V. grapplers. Under the coaching of Ed Adams, the 'Cats took a solo spot at the top of the Junior Varsity circuit in the YCIAA—brightening prospects for future Varsity success.

Under the coaching of Al Owens the junior high grapplers were crowned co-champions along with Hanover and West York this season.

In a unique situation, the title race ended as a carbon copy of the varsity wrestling picture: the 'Cats' only loss came against West York by one point. Hanover toppled West York and D-town beat Hanover to give the three top squads one loss a piece.

Congratulations to the junior grapplers for another championship season!

Janet Mason

Janet's family taken the day she left for Dallastown

To Everybody at Dallastown:

Thank you for helping to make this one of the most fantastic years of my life. I've had so many opportunities that I never dreamed I would have, and I've got lots of memories to take back to South Africa with me. I hope to get back here some day, or better still I hope that some of you have the chance to come to South Africa.

With love and best wishes!

...and then there was

The summer I wished would never end
Was the one where I found you.
And though end it did,
I'm happy to say
It's the same now as in the start,
When we're together it's summer
in my heart.

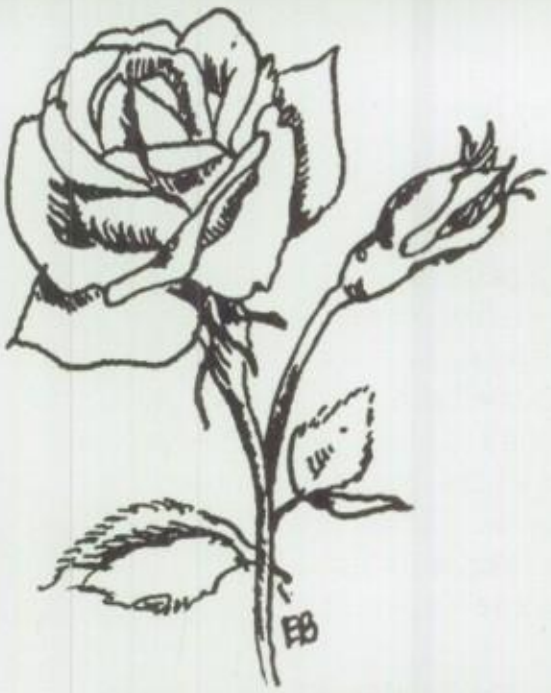
Summer

The Class of 1975



"One seed can start a garden
One drop can start a sea
One doubt can start a hating,
One dream can set you free."

Class Song of '75

We May Never Pass This Way Again

Life—so they say
Is but a game, and they let it slip away.
Love—like the autumn sun
Should be dying, but it's only just begun.
Like the twilight in the road up ahead,
They don't see just where we're goin'.
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up, always up.
We may never pass this way again.

Dreams—so they say
Are for the fools and they let them drift away.
Peace—like the silent dove
Should be flyin' but it's only just begun.
Like Columbus in the olden days,
We must gather all our courage;
Sail our ships out on the open sea;
Cast away our fears and all the years will come and go,
And take us up, always up.
We may never pass this way again.

So I wanna laugh while the laughin' is easy.
I wanna cry if it makes it worthwhile.
I may never pass this way again.
That's why I want it with you.
'Cause you make me feel like I'm more than a friend.
Like I'm the journey and you're the journey's end.
I may never pass this way again,
That's why I want it with you.
We may never pass this way again.

(1957-1972)

class history

"memories pressed between the pages of our minds----memories sweetened through four years just like wine."

having been washed away by the tide of time, the experience and the happiness that we the class of 1975 have shared is now flowing back through our minds as oceans of cherished memories. our tasks and visions which once slept in the darkness of our minds have now been awakened by the dawn of victory. soon the final curtain will close on our first stage of life and we will no longer hold the title "DALLASTOWN SENIORS"

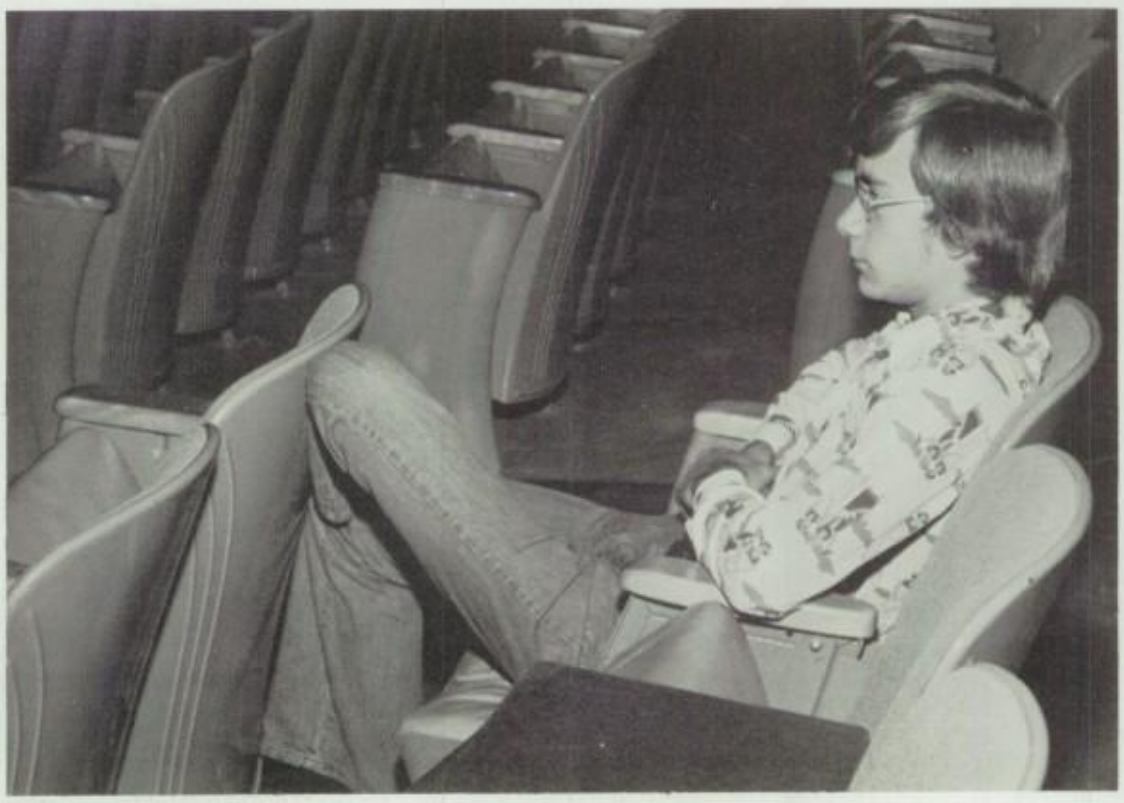
K. A. S.

Of course, I know my ABC's!

I fail to see the humor in this.

I guess!

Spread your tiny wings and fly away.



Is it!?!

Should you accept this mission . . .

What do you mean, you're stuck.

. . . Hall of Fame

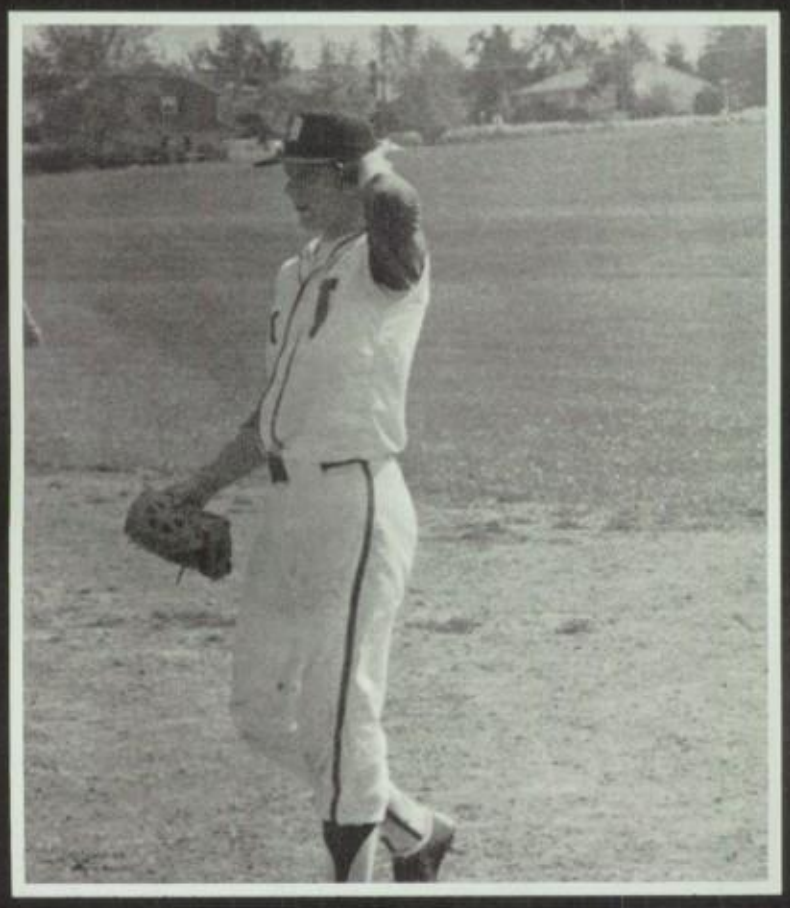
Oh boy! Eleven tater puffs!

Tomorrow's leaders???

"But I didn't do anything honest!"

"Heads up!"

"Are you putting us on?"



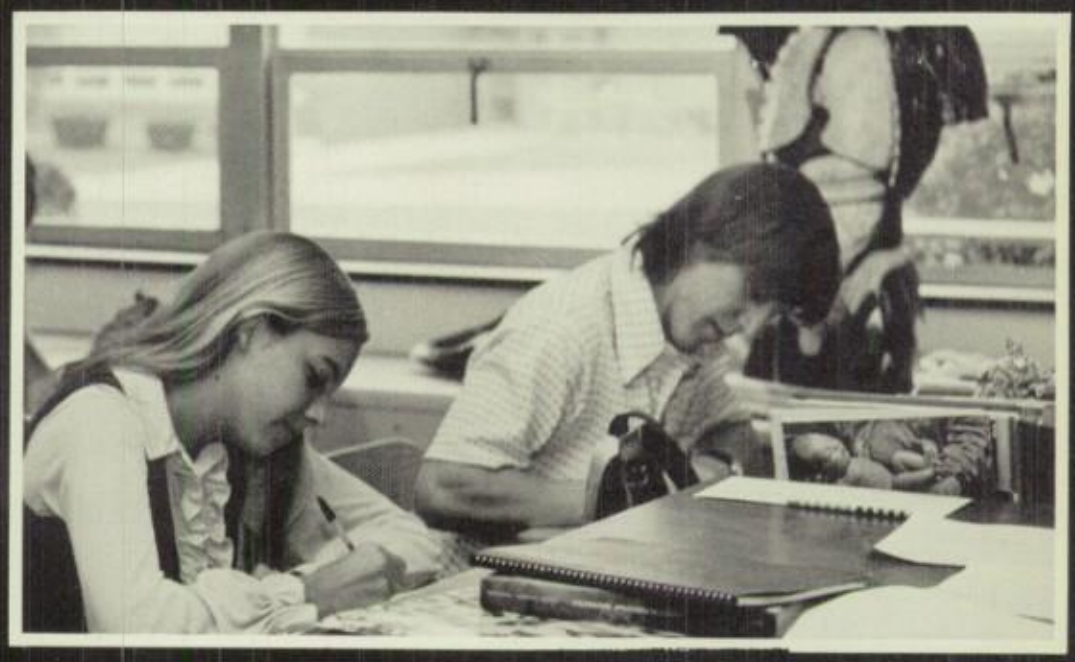
"Wow! How'd I miss that one?"

"Now I know it's in here somewhere."

"Here's to the good 'ole days!"

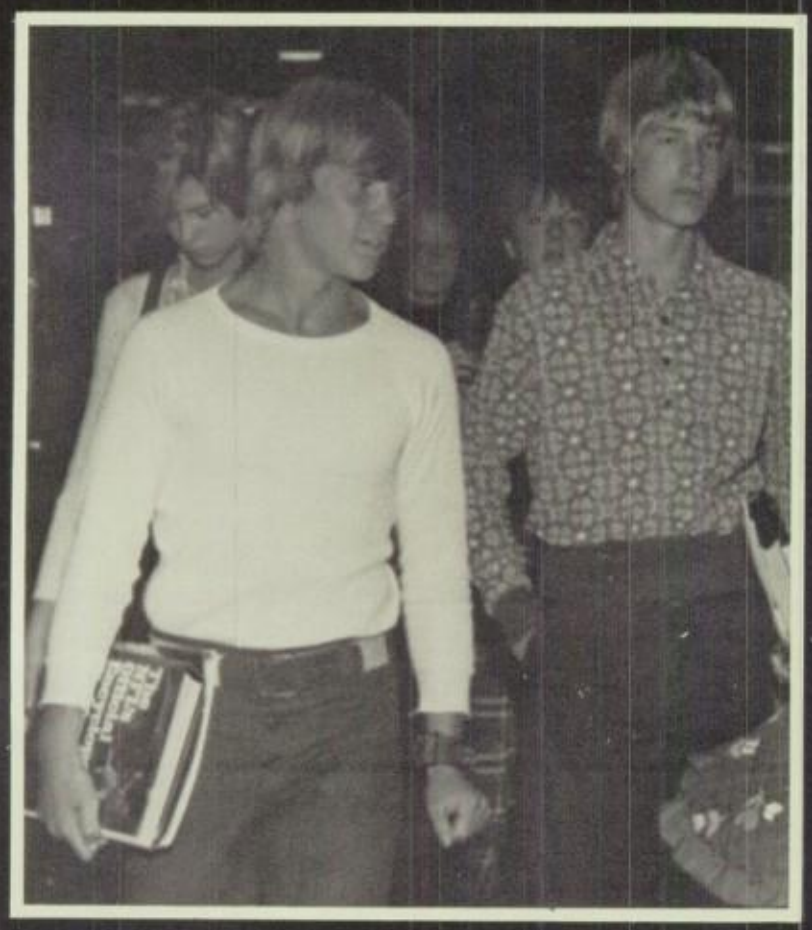
Patrons and Ads

"By George, you've got to be kidding!"



"Mike, gimme the answer to #17."

"Look, here he comes."



"Rough night last night, Pete?"

"After you get the take-down . . ."
